Last Bell Ministries, PO Box 30671, Indianapolis, IN 46230

Your giving has direct impact when you donate these things. They are crucial in our frontline work with orphanage graduates and their children:

Items We Always Need

Vitamins & Medication:

- Adult vitamins
- Children's chewable vitamins
- Baby Tylenol, adult Tylenol, and Ibuprofen

New or gently used clothing:

- Children's outerwear, especially boots and warm coats
- Clothing for teens and adults
- Clothing for children ages 2 - 11
- Cold-weather work attire

The young women we work with are rarely over a size 10, usually between size 2 and 6. We always need new socks! Especially white cotton crew and warm wool styles. The staff never have enough to give to the trade school students we serve.

Other needs

- Crafts for camps
- Toothbrushes and toothpaste
- Bags of hygiene kits

Please note in our Volunteer Opportunities that **we're seeking a "Craft Master"** to take charge of the year-round flow of craft supplies to Ukraine. Let us know if you're interested!

We kindly request that all our material donors include the \$1.50/lb required for shipping to Ukraine. If you're interested in gathering and shipping any of these much-needed items, please contact us. Clothing/supplies drives make great projects for church groups, including youth and children's classes!
